Reading of last month's minutes

The minutes from February 15, 2011 were read with addition of Paul Krieger's fence hit when crew was working on Gettel's property. He reported this to Ron Senior and stated that fence was bent; one way is level but not the other way. Krieger said it will need new cement post. Sewage/Sewage Authority Report

Dave Sweetland explained the shortage of monies from the original information in the amount of \$94,000.00.

Jim Kello is currently searching for more funding so that the Borough will not owe more money at the end of the project. He stated that the CDBG monies in the amount of \$132,525.00 be drawn down for payment to County for the laterals. Paul Krieger was in disagreement with payment of more money for the laterals.

Jim Kello requested three motions be made and passed for him to proceed further for more grant money.

First Motion: Approval for Perry CDBG application in the amount of \$71,316.25 for tap fees for 59 EDU's. Upon motion by Dale Peterson, seconded by Paul Krieger, none opposed, this motion was approved.

Second Motion: Submit pay request for \$132,525.00 for lateral construction with understanding that remaining cost will be billed to H2O and drawn down to pay. Upon motion of Dale Peterson, seconded by Dave Leshner, approved by John Johnson, opposed by Paul Krieger, motion was approved.
